**Proactive Practice - AIA Seattle**

Alberto Kalach believes architecture is a craft learned by practicing This belief combines with an acute awareness of historical context, creating buildings that feel both inside and outside of time Kalach takes a primitive but sophisticated approach to his practice,

**UM SoA - University of Miami**

Alberto Kalach The Tecnoglass Lecture Series is a year-long program of lectures, interviews, and symposia focused on a theme that is of particular relevance to SoA The 2016-17 series focuses on water and the growing challenges it poses: sea-level rise, draught, access to clean water, and other related stresses that are provoked or exacerbated by

**Jose Vasconcelos Library - curtispattee**

Kalach's design was driven by four fundamental considerations: 1 Mexico City is one of the largest, most polluted, and aggressive urban environments on the planet The planning of public-funded buildings should address this in the expansion of car-free open spaces and greenery 2 The library will be placed in an arid urban context

**Casa GGG and Casa Negro - New Prairie Press**

Casa GGG and Casa Negro Alberto Kalach and Daniel Alvarez Casa GGG The house could be seen as the most simple and yet the most complex and exciting architectural theme I understand it as a passage that transports inhabitants from every day life of the street to an inner world of intimacy

The succession of spaces is
