Clinical Laboratory Hematology (2nd Edition) Good textbook It is required for my major. Good textbook which helped me understand about the study of blood and scored some good grades. Read more. Helpful. Comment Report abuse. Debra F. 5.0 out of 5 stars Book. Reviewed in the United States on October 2, 2017.

Clinical Laboratory Hematology: 9780135137321: Medicine ...

Hematology is the subject where it pays off the most to understand root word meanings. The larger your medical vocabulary, the easier time you will have test taking. Often times test questions will hinge on one uncommon term where if you don't know what it means, it's going to be tough to answer the question. Ok back to lab values.
