As the teacher of a fourth grade student, be sure to take him or her seriously and work to keep their interests alive. At times, that may mean deviating from the prepared curriculum when you find an area that really interests your child. You should not feel bound to the curriculum when this happens. The ability to adjust quickly is one of the major benefits of homeschooling.

The history and Mental Status Examination (MSE) are the most important diagnostic tools a psychiatrist has to obtain information to make an accurate diagnosis. Although these important tools have been standardized in their own right, they remain primarily subjective measures that begin the moment the patient enters the office.
