I wrote Some Parts are NOT for Sharing on the level of an infant to an 8-year-old. This book will frighten no one. People write awful reviews and say, "This book does not say anything!" This is the point; this book is the tip of the iceberg it is not the entire iceberg. If it were it would not be for small children. The point of this book is to educate your children about child abuse before ...

Inventor drawing , Parts not showing Hi, With a particular assembly I have an interesting dilemma when it comes to the drawings. If I put my base view on an .ldw sheet and then project them, some of the channels that I have in the assembly do not show in the base view, but they do show in the projected views. This happens on an A4 sheet. If I create a new drawing and then have the sheet size ...
