Books; Bio; News & Events; Imagine Asia; Curated Collections; Behind the Scenes "Animals" by Steve McCurry. Animals are one of my favorite subjects to shoot; they are completely unpredictable. Animals are in constant motion, have a mind of their own and rarely pay any attention to directions from a photographer. READ MORE . Italy. Italy has drawn me back more times than I can count. The ...

[Photographer Steve McCurry Biography -- National Geographic](#)

He makes a LOT of money on his money programs – materials – books – podcasts – etc. As I talk to my peers, I think I have a somewhat unique angle to FI , which i think will differentiate me from other bloggers and make my content interesting. That said, I am not such a well versed writer – but i enjoy writing (A's in english in high school and an older sister who is a writer/author ...
